

Roll In My Sweet Baby's Arms

CHORUS

A

Roll in my sweet baby's arms

E

Roll in my sweet baby's arms

A

Lay round the shack

D

Till the mail train comes back

E

A

And roll in my sweet baby's arms

VERSE

A

I ain't gonna work on the railroad

E

Ain't gonna work on the farm

A

Lay around the shack

D

Till the mail train comes back

E

A

And roll in my sweet baby's arms

Now where were you last Friday night
While I was lyin' in jail
Walking the streets with another man
Wouldn't even go my bail

CHORUS

I know your parents don't like me
They turn me away from your door
Had my life to live over
Wouldn't go there any more

CHORUS

Rank Strangers

I wandered a-gain - To my home in the mountains
Where in youths' early dawn - I was happy and free
I looked for my friends - But I never could find them
I found they were all - Rank strangers to me.

CHORUS

Ever'body I met (ECHO: ever'body I met)
Seemed to be a rank stranger (seemed to be a rank stranger) (hold)
No mother or dad (no mother or dad) ...
Not a friend could I see (not a friend could I see)
They knew not my name (they knew not my name)
And I knew not their faces (and I knew not their faces)
I found they were all (I found they were all)
Rank strangers to me (rank strangers to me).

"They've all moved away" - said the voice of a stranger
"To a beautiful home - by the bright crystal sea"
Some beautiful day - I'll meet 'em in heaven
Where no one will be - a stranger to me.

Man of Constant Sorrow

G **C**
I am a man of constant sorrow
D **G**
I've seen trouble all my days
G **C**
I bid farewell to old Kentucky
D **G**
The state where I was born and raised

For six long years I've been in trouble
No pleasure here on earth I find
For in this world I'm bound to ramble
I have no friends to help me now

It's fare thee well my own true lover
I never expect to see you again
For I'm bound to ride that northern railroad
Perhaps I'll die upon this train

You can bury me in some deep valley
For many years where I may lay
Then you may learn to love another
While I am sleeping in my grave

It's fare you well to a native country
The places I have loved so well
For I have seen all kinds of trouble
In this cruel world, no tongue can tell

Maybe your friends think I'm just a stranger
My face you'll never see no more
But there is one promise that is given
I'll meet you on God's golden shore

Wildwood Flower

C **G7** **C**
I'll twine with my mangles and waving black hair
G7 **C**
With the roses so red and the lilies so fair
F **C**
And the myrtles so bright with emerald dew
G7 **C**
The pale and the leader and eyes look like blue

He told me he loved me and called me his flower
That blossomed for him all the brighter each hour
Though my heart is now breaking, he never shall know
That his name makes me tremble, my pale cheeks to glow

I'll sing and I'll dance and my laugh shall be gay
I'll charm every heart and the crowd I will away
I'll live you to see him regret the dark hour
When he won and neglected this frail wildwood flower

I'll think of him never, I'll be wild and gay
I'll cease this wild weeping, drive sorrow away
But I wake from my dreaming, my idol was clay
My visions of love have all vanished away

I Saw The Light

G

I wandered so aimless, life filled with sin;

C

G

I wouldn't ask my dear saviour in.

Then Jesus came like a stranger in the night;

D7

G

Praise the Lord, I saw the light!

G

I saw the light, I saw the light.

C

G

No more darkness; no more night.

Now I'm so happy no sorrow in sight.

D7

G

Praise the Lord, I saw the light!

Just like a blind man I wandered alone,
Worries and fears I claimed for my own.
Then like the blind man that Jesus gave back his sight;
Praise the Lord, I saw the light!

I was a fool to wander astray,
For straight is the gate and narrow is the way.
Now I have traded the wrong for the right;
Praise the Lord, I saw the light!

Riding On That Midnight Train

G

No matter what I say or do

C

G

You're never satisfied

I've tried I've tried so many times

D

G

So I'm leaving you, goodbye

G

I'm riding on that midnight train

C

G

My head is hanging low

Them awful blues will follow me

D

G

Wherever I may go

Why on earth was I ever born

I'll never understand

To fall in love with a woman like you

In love with another man

Have A Feast Here Tonight

G

There's a rabbit in the log and I ain't got my dog

D

How will I get him? I know!

G

I'll get me a briar and twist it in his hair

D G

That way I'll get him I know

C

I know (yes I know)

G

I know (I surely know)

D

That's how I'll get him I know

G

I'll get me a briar and twist in his hair

D G

That way I'll get him I know

I'll build me a fire and I'll cook that old hare
Roll him in the flames and make him brown
Have a feast here tonight while the moon is shining bright
And find me a place to lie down

To lie down (to lie down)
To lay down (to lay down)
Find me a place to lie down
Have a feast here tonight while the moon is shining bright
And find me a place to lie down

I'm going down the track and my coat ripped up my back
Soles on my shoes are nearly gone
A little ways ahead there's an old farmer's shed
That's where I'll rest my weary bones

Weary bones (weary bones)
Lazy bones (lazy bones)
That's where I'll rest my weary bones
A little way's ahead there's an old farmer's shed
That's where I'll rest my weary bones

Little Maggie

Oh yonder stands little Maggie
With a dram glass in her hands
She's drinking away her troubles
She's a courting some other man

Oh how can I ever stand it
Just to see them two blue eyes
A shining in the moonlight
Like two diamonds in the sky

Last time I saw little Maggie
She was sitting on the banks of the sea
With a forty-four around her
And a banjo on her knee

Lay down your last gold dollar
Lay down your gold watch and chain
Little Maggie's gonna dance for daddy
Listen to that old banjo ring

Pretty flowers were made for blooming
Pretty stars were made to shine
Pretty women were made for loving
Little Maggie was made for mine

Angel Band

My latest sun is sinking fast
My race is nearly run
All my trials now are past
My triumph has begun

Oh come Angel Band
Come and around me stand
Bear me away on your snow white wings
To my immortal home
Bear me away on your snow white wings
To my immortal home

Oh bear my loving heart to him
Who bled and died for me
Whose blood now cleanses from all sins
And gives me victory.

I've almost reached my heavenly home
My spirit loudly sings
The holy ones behold they come
I hear the noise of wings.

Well the night's for forlorn
And the mornin's warm

And you'll miss sunrise
If you close your eyes
And that would break my heart in two

If I needed you, would you come to me?
Would you come to me for to ease my pain?
If you needed me, I would come to you
I would swim the sea for to ease your pain

Baby's with me now
Since I showed her how
To lay her little hand in mine
Who could ill agree?
She's a sight to see
Treasure for the poor to find

Would you come to me for to ease my pain?
If you needed me, I would come to you?
I would swim the sea for to ease your pain

The guy who posted the other tab on e-Chord was close, but definitely wrong about a few of the chords (i.e. it should be an **A7** instead of a **C7**, and he was missing the **F** minor into the **F** major, and the **Am** in the last **Chorus**, etc., etc.).

Green Pastures - Emmylou Harris

C **F**
Trouble and trials often betray those,
C **G**
On in the weary body to stray,
C **F**
But we shall walk be-side the still waters,
C **G** **C**
With the good shepherd leading the way,

C **F**
Those who have strayed were sought by the master,
C **G**
He who once gave his life for the sheep,
C **F**
Out on the mountain still he is searching,
C **G** **C**
Bringing them in forever to keep,

chorus **C** **F**
Going up home to live in green pastures,
C **G**
Where we shall live and die never more,
C **F**
Even the Lord will be in that number,
C **G** **C**
When we shall reach that heavenly shore,

C **F**
We will not heed the voice of a stranger,
C **G**
For he would lead us all to despair,
C **F**
Following on with Jesus our savior,
C **G** **C**
We shall all reach that country so fair,

Orphan Girl - Gillian Welch

But I'll share my troubles, if you go my way
G **D** **G** **C**
I have no mother, no father, no sister, no brother
G **D** **G**
I am an orphan girl

I have had friendships, pure and golden
But the ties of kinship, I have not know them
I know no mother, no father, no sister, no brother
I am an orphan girl

But when he calls me, I will be able
To meet my family, at God's table
I'll meet my mother, my father, my sister, my brother
No more an orphan girl

Blessed savior, make me willing
And walk beside me, until I'm with them
Be my mother, my father, my sister, my brother
I am an orphan girl

So Long, So Wrong - Alison Krauss

D5 G/F G5 (x4) D5

I know I'll be lonesome, that brings about a little fear

I know I'll be sad and I'll be blue...

I have given the best of me when

I forgot to say to you

What you forgot to say to me...

So long, so wrong.

(D5 G5 Bb C9)

I have tried and cared, baby it was never enough

Cause in your mind I never had a clue...

So I'll re-pave the same old road I'm on where

I forgot to say to you

What you forgot to say to me...

So long, so wrong.

D5 G5 Bb C9

**Did we take forever (Have we taken forever) in vain into the past?

**Did we think forever was really gonna last.....

Crazy Faith - Alison Krauss

key: Am

Intro: Am C Dm

I lit my love and watched it burn

Asking nothing in return

Except the lessons F I will Am learn

I'm holding G crazy faith

Am I've been touched by {bass note:B} that bright C fire

Down to the root of my G desire

While the smoke it F rises Am higher

Going G crazy Am faith

F You're not asking if I C love this G man

I D know you don't, you don't F believe you can

Am Yet I've seen love F open like a C dancer's G fan

It's D crazy I know, but my faith F says so

It tells me

Am I a fool for hanging on
Would I be a fool to be long gone
When is daylight gone, the dawn
Of my crazy faith

The questions will not let me sleep
Answers buried way too deep
At the bottom of our lover's leap
Made by crazy faith
You're not asking if I love this man
I know you don't, you don't believe you can
Yet I've seen love open like a dancer's fan
It's crazy I know, but my faith says so
It tells me

In love you lose, in lose you love

Let the hope fly from the glove
And do not search the skies above
Search your crazy faith

Love is lightening, love has eyes
It only strikes the lucky twice
Once so you will know the price
And once for crazy faith

You're not asking if I love this man
I know you don't, you don't believe you can
Yet I've seen love open like a dancer's fan
It's crazy I know, but my faith says so

Do I Ever Cross Your Mind

Lyrics for Album: Trio II - Dolly Parton/Emmylou Harris/Linda Ronstadt

Oh, sometimes I go walking through fields where we walked

Long ago in the sweet used to be

And the flowers still grow, but they don't smell as sweet

As they did when you picked them for me

And when I think of you and the love we once knew

How I wish we could go back in time

Do you ever think back on old memories like that

Or do I ever cross your mind

Do you ever wake up lonely in the middle of the night

Because you miss me, do you darling

Oh, and do your memories ever take

You back into another place in time

And do you ever miss the feelings

And the love we shared when you were with me, tell me darling

Or do I ever cross your mind

Oh, how often I wish that again I could kiss

Your sweet lips like I did long ago

And how often I long for those two loving arms

That once held me so gentle and close

And when I think of you and the love we once knew

How I wish we could go back in time

Do you ever think back on old memories like that

Or do I ever cross your mind
